

Henderson Middle School
School Parent and Family Engagement Policy
2017-2018

(Revised 5/10/2017)

In order to guarantee student success, partnerships among schools and parents are vital. At Henderson Middle School, we recognize that parents are their children's primary teachers and their support is critical in our efforts to provide a quality education to the youth at Henderson Middle School. "Over 30 years of research has proven beyond dispute the positive connection between parent and student success. Effectively engaging parents and families in the education of their children has the potential to be far more transformational than any other type of educational reform." (p.5, National PTA, 1997) In order to maximize the success of our students the following strategies are planned to involve parents at Henderson Middle School.
