School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Jackson Elementary School will provide opportunities to improve family engagement to support student learning. Jackson Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Jackson Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Jackson Elementary School invites all parents to join the school council and/or complete the annual survey that is sent home to review and revise this parent and family engagement policy, as well as our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year by contacting Deirdra Jones, the Parent and Family Engagement Coordinator. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year.

Who is it for?
