**Central High School  
Parking Regulations 2016-2017 School Year**

❖ Cars will be ticketed and/or towed at owners' expense for violation of parking regulations. Parking is a privilege that may be revoked without a refund for parking violations. Vehicles parked within 1000 feet of school property are subject to search.

1. No cruising Central Rd. between 3:30-4:00. No cruising the car-rider area in the front of the school, or any other school parking lot at any time.
2. Once a student drives on campus, he/she is considered 'at school' and must check out legally in the front office to leave campus again.
3. Students may not loiter (hang-out) in the parking lot before or after school. Students must exit their vehicles & report directly to the school building immediately upon arrival to school.
4. Parking tickets with fines – unpaid parking tickets will result in loss of parking privilege and/or vehicle being towed at owner's expense if parked on campus.
5. Dream Team spaces are marked with a DT in front of the number. All other parking is assigned by your parking permit number.
6. Vehicles on the campus of Central High School must have a 2016-17 Central High School hang tag hanging from the rear view mirror & must be in a marked parking space.
7. Any student vehicle parked anywhere on campus other than the student parking lot will likely be TOWED and parking privilege REVOKED!!!
8. Radios and sound systems must be kept at a volume that cannot be heard outside of the vehicle within 1000 feet of the Central High School campus.
7. Students will not be allowed to go to the student parking lot during the school day to get items left in the car.
8. Students may not pull through nor back into a parking space.
9. Permits must be hung on the rear view mirror and be visible from outside the vehicle.
10. Students must get a temporary permit from the main office immediately upon arrival when driving a car onto the CHS campus without a permit.
11. Students will be allowed to drive to TEC for 3<sup>rd</sup>/4<sup>th</sup> periods only and only if the student is in the DCT program and drives to his/her work immediately after TEC classes. These students must obtain permission from an Assistant Principal at CHS and the principal at TEC. All other TEC students must ride the bus to and from TEC. Students may not transport other students to the TEC for any reason.
12. Students/parents will not be allowed to park or drop off in the mornings or pick up in the afternoons in the 400 parking lot.
13. Parking permits cost \$40.00 and are valid for the 2016-17 school year only.
14. Permits may not be transferred to other students. Any student who allows someone else to use their hang tag will lose their parking privilege for the remainder of the school year. Parking hang tags can not be shared! (One person per \$40 hang tag purchase.)
15. Parking lot gates will be locked after school hours. Cars left on campus after school hours will be locked in.

**\*\* NEW STATE LAW requires that CHS report to the DMV any student who accumulates 10 or more unexcused absences in the current school year or in the previous academic year. Driving privileges of those students will be revoked by the DMV (and by CHS).**

**I have read and understand these parking regulations. If I purchase a new vehicle or substitute my primary vehicle, I understand that it is my responsibility to notify the Parking Permit Office.**
