A Message from the Administrators

Welcome back, Titans! We hope everyone had a great first few days of school. Welcome all new families and staff members to Team Titan! We are looking forward to another fantastic school year. Transitioning back into the routine of school can be tough for children who have been enjoying a fun filled summer. These simple tips can help ease the transition and create a partnership with our school. Start the school year by establishing good practices and routines at home. Some suggestions include asking your child about their day and any challenges they encountered. Creating a space and time for daily homework and silent reading will help students have a successful year. To help ease the transition back to school attend our Curriculum Night and orientation meetings. Our Curriculum Night will be held on August 21st at 6:00. Another suggestion includes asking your teacher about activities and strategies you can use at home to support your child's learning, especially if they experience academic challenges. These simple tips can help your child start off on the right foot and build a lasting partnership between home and school.

Lunch Reminders

Lunch visitors are welcome at Ithica. Please remember to bring your ID and check in at the front office. Adult lunches are \$3.25. Student lunches are \$2.25 and can be paid for by cash, check, or by utilizing myschoolbucks.com. We kindly ask that all visitors honor our policy of not sitting with classes at lunch tables.
