

What is a School-Parent Compact?

A School-Parent Compact is a written agreement jointly developed by parents, and teachers. The purpose of the Compact is to clarify what families and schools can do to help children reach high academic standards. The Compact is a clear reminder of everybody's responsibility to take action at school and at home so that children can reach/exceed their academic goals and the goals of the school improvement plan.

The IES Compact:

- Links to goals of our school improvement plan
- Focuses on student learning skills
- Describes strategies families can use at home to strengthen students' skills
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom and in the school in general.

Parent Involvement Meetings:

Doughnuts and Discussion
September October
December March

Parents as Partners

IES encourages parent/school partnerships for educating students. Frequent communication regarding student learning is accomplished via Parent Involvement Coordinator, Weekly Folders, Agendas, School Website, Parent Meetings,

Conferences, Parent Portal, School Messenger, IES Marquee, and Monthly Newsletters.

Parent Teacher Student Organization Meetings:

August 15	September 19
October 17	November 14
December 12	January 23
February 13	March 20
April 17	May 15

Academic Achievement Goals

District Goal:

- All students will meet or exceed the state average on the Georgia Milestones state assessment in all content areas

IES Goals:

- Meet or exceed state average on Georgia Milestones state assessment in all content areas
- Improve student achievement in literacy
- Improve student performance in math

IES will focus on improving by:

- *Providing research based literacy and math instructional strategies*
- *Implementing differentiated instruction in all content areas*
- *Facilitating independent reading of the highest academic challenge based on Lexile levels*
- *Implementing graphic organizers for structuring student thinking*
- *School wide use of math journals and Number Talks*
- *Vertically applying research based writing strategies across the curriculum*
- *Incorporating higher order thinking skills into daily instruction*

- *Communicating information/feedback on Performance in a timely manner*

Cecelia Brown,
Assistant Principal

Revised July 21, 2016

As a student I will:

- Practice math fluency skills
- Read a minimum of 20 minutes nightly
- Apply math and literacy skills learned in the classroom consistently in my assignments

As a teacher I will:

- Offer parent-teacher conferences throughout the school year to discuss students' academic progress (phone conferences and interpreters available). The Compact will be reviewed to remind all parties of their commitment in achieving outlined goals
- Monitor the progress of my students in reading by measuring Lexile growth three times a year
- Present parents with grade level expectations and resources to use in helping their child succeed and reach/exceed expectations in Literacy, Science, and Math
- Assure that all parents have reasonable access to staff through phone calls, emails, notes, weekly folders, scheduled parent-teacher conferences and updated website

- Implement research based instructional strategies in all content areas
- Report to parents frequently about their child's progress through the daily agenda, daily use of Infinite Campus Parent Portal, weekly use of Tuesday Folders, phone calls, notes, and email as needed. Mid-term and 9-week progress reports will be provided.
- Invite parents to volunteer for various events, assist in the classroom or other areas of the school, and visit and observe classroom activities

As a parent I will:

- Read to or listen to my child read 20 minutes nightly
- Read and sign the agenda nightly
- Check the Tuesday Folder each week
- Practice math fluency facts with my child
- Attend Academic Parent Nights provided by my child's teacher to learn about specific grade level expectations and resources that will help me assist my child in experiencing success in all content areas
- Attend parent training workshops
- Attend parent-teacher conferences and other academic workshops

AT IES we look forward to partnering with you to ensure the success of our students.
