Supporting Student Achievement

- The ESOL Department strives to ensure that students are equipped with the tools that they need as they learn the English language. Technology, hands-on manipulatives, and books are used on a daily basis to assist students in the area of Literacy which includes enhancing their reading, listening, writing, and speaking skills.

- ESOL Teachers provide differentiated lessons based upon the English proficiency levels of the students in order to individualize instruction. Because of the small class size, ESOL Teachers are able to provide one-on-one direct instruction for the students.

ESOL Parent Involvement Opportunities

ESOL Literacy Night

The ESOL Department held the first Parent Outreach Opportunity on November 10, 2016 at the Carroll County Board of Education. ESOL Parents and Students were invited to experience *Literacy in the Classroom*. Hands-on activities were featured and centered around technology, writing, and reading.

ESOL Math Night

You are invited to come out and experience some hands-on activities in the area of mathematics. The event will take place on March 23, 2017 at the Carroll County Board of Education from 5:30 p.m. to 6:30 p.m.
