ESEA Flexibility Letter TITLE I SCHOOL DESIGNATION PARENT NOTIFICATION

August 4, 2016

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Mt. Zion Elementary's 2015 CCRPI score was 65.7. This rating reflects a decrease from the 2014 score. Additional information can be located at <http://ccrpi.gadoe.org/2015/ccrpi2015.aspx>.

I am very proud to tell you that Mt. Zion Elementary has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

Our students in grades three, four, and five scored above the district and state average in the areas of Science and Social Studies. We take pride in the instruction we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

At Mt. Zion Elementary, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Mt. Zion Elementary's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Renea Huddleston, Parenting Coordinator at 770-832-8588 or renea.huddleston@carrollcountyschools.com.

Thank you for all that you do to support your child's education.

Sincerely,
