

2/2/2015

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under Georgia's ESEA Flexibility Waiver, certain Title I schools are designated as Reward, Priority, Focus, or Alert schools. The Waiver also allows the use of the College and Career Ready Performance Index (CCRPI), which serves as a comprehensive report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how well the school is doing in preparing its students to be successful in college and/or a career.

Mt. Zion Elementary School's 2014 CCRPI score was 73.9. Additional information can be located at <http://ccrpi.gadoe.org/2013/ccrpi2013.aspx>

Mt. Zion Elementary School has not been given a school designation this year.

Our CRCT data from 2014 reflects high levels of student achievement in the areas of Reading and Math. 94% of all 3rd- 5th grade students met or exceeded the grade level expectation in reading and 94% of all 3rd- 5th grade students met or exceeded the grade level expectation in math.

At Mt. Zion Elementary School, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Mt. Zion Elementary School's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Cindy H. Parker, Principal at 770-832-8588 or cindy.parker@carrollcountyschools.com.

Thank you for all that you do to support your child's education.

Sincerely,

Cindy H. Parker
Principal

Dr. John D. Barge, State School Superintendent
