
A group of Mount Zion alumni established this endowment to assist deserving students of Mount Zion High School in furthering their education at the University of West Georgia. In establishing this endowment, the alumni also honor the memory of their school years and the impact the school, faculty and community had in shaping their lives. When the endowment amount of $10,000 is reached, the scholarship will be awarded annually to a student who has financial need, a strong work ethic, integrity and a desire to further his/her education. The generous support of alumni and friends of Mount Zion will make this scholarship a lasting legacy for future generations of students. Please return the form below with your gift to:

University of West Georgia Foundation
Alumni House 1601 Maple St.
Carrollton, GA 30118-6100

Make checks payable to the UWG Foundation.
