### **What is Title I?**

Villa Rica Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

## **School Plan for Shared Student Achievement**

### **What is it?**

This is a plan that describes how Villa Rica Elementary will provide opportunities to improve family engagement to support student learning. Villa Rica Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Villa Rica Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

### **How is it revised?**

Villa Rica Elementary School invited all parents to view our Annual Schoolwide Title I Meeting as well as a Title I Parent and Stakeholder Input Meeting in the spring of 2017 and in August 2017 to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the 1% parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through written feedback. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

### **Who is it for?**

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Villa Rica Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

### **Where is it available?**

At the beginning of the year, the plan is available for review in the front office and online at our school website. As a reminder, we will email the plan to all parents in September after an opportunity for feedback is given to all stakeholders. The final copy of the plan will be posted on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center and our front office.

Villa Rica Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Villa Rica Elementary is committed to helping our parents and families attend the family activities listed in this policy. Staff will also share best practices during regularly scheduled faculty meetings.
- ✓ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ✓ Share information on the school website, newsletter, and social media for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, social media, and flyers.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
