

BATTLEFIELD ELEMENTARY BOOSTER PROGRAMS

Please keep this list at home and participate as many ways as you can. Ask your friends and relatives to help us by becoming booster club members and by sending in the items we collect.

- If you have an **Ingle's** Advantage card, you may link it to our booster program "Tools for Schools" and help us earn school supplies. Go to www.ingles-markets.com. Click on "Tools for Schools" on the left and follow the directions. The program ends each May, so you will need to sign up again each fall.
- We are enrolled in the "**Publix Partners**" program –key tabs are attached – let us know if you need more for friends and family (they do not expire and you do not have to link your card to our school – just have the cashier scan it each time you shop at Publix).
- To enroll in **Bi-Lo's** program, you need to ask them to scan the barcode below next time you shop. The program ends each May, so you'll need to re-enroll each fall.

BATTLEFIELD ELEMENTARY SCHOOL

0 ""0 0007 "5 1 096"" 0

- Designate our school in **Target's Take Charge of Education** program. If you have a Target Redcard or Target VISA, each time you use it, we get money! You may do this at any Target store or online.
- Enroll at **SchoolStore.net**. As you shop at any of their participating online stores (including popular sites such as Land's End, Kohls, Office Depot, Toys r Us, and many more), you will help earn money for our school.
- **Boxtops** – save boxtops from General Mills products. Send them in and we can redeem each one for ten cents – it really adds up!
- **MyCokeRewards** – register @ mycokerewards.com and you'll be ready to enter codes found on Coke products. Select our school to receive your points and then we can select from their on-line catalog of products. (You may also send coke codes to school for a volunteer to enter.)
- Send us your **old cell phones** and **empty ink cartridges** – we recycle each to earn extra money for our PE program and Special Education Department.
- Sign up to view school newsletters and menus on-line instead of on paper.
