

Feel free to request a parent/teacher conference to discuss your child's progress.

Come get involved in the Family Resource Center in Room 103.

We have plenty of volunteering opportunities available!

Contact your child's teacher or give us a call at 706-866-9183

Jointly Developed

The **parents, students, and staff** of Battlefield Elementary School jointly developed this Family-School Compact for Achievement.

Parents help create the suggestions for home activities to support learning.

Meetings are held each year to update this compact and make changes based on student needs.

BES Parents are welcome to contribute comments at any time.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards,
- ◆ **Focus** on student learning,
- ◆ **Respond** to school data,
- ◆ **Define** everyone's responsibilities -- and
- ◆ **Depend** on us to believe in it and use it!

When teachers, students, and families work together, we CAN achieve our goal:

GRADUATION NATION!

GOALS FOR STUDENT LEARNING

District Goal:

To improve the percentage of students scoring proficient (level 3 or 4) in grades 3 through 8. To improve the percentage of students graduating from high school.

School Goals:

To increase the percentage of students scoring as a Proficient or Distinguished Learner on the 2017 Georgia Milestones in Reading/Language Arts and Math.

BES 5th Grade Students

BES students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school. Students will:

- Meet or exceed AR and Study Island goals
- Maintain good behavior
- Complete all homework nightly
- Relay all materials and communications between home and school
- Correctly fill out agendas daily with class assignments and other information

BES 5th Grade Teachers

The 5th Grade teachers will work with students and their families to support student success by:

- AR and Study Island goal achievement will be sent home weekly. Goals will be broken into manageable weekly goals
- Behavior expectations will be modeled and communicated weekly. Achievement incentives will be awarded
- Remind101 will be offered to parents for school related updates
- Academic work will be sent home weekly
- Agendas will be sent home daily for parent/guardian review

At Home

BES parents joined staff to develop ideas about how families can support student success:

- Look for ways in the "real world" to incorporate learning for reading and math. Ex: road signs, shopping, etc.
- Read newsletters and check the website to "stay in the know"
- Stay in contact with your child's teachers through conferences and notes, phone calls, etc.
- Review math facts at home
