Great Job, Choir & Mrs. Lane!

The spring musical was fantastic. The boys and girls worked hard to learn their parts and musical numbers. Everyone that was able to attend had a wonderful time.

Attention: Parents of Students with Disabilities

The Georgia Department of Education wants to hear from you. There is an online survey available for you at http://www.gadoe.org/ci_exceptional.aspx Please take a few minutes to give feedback that will help them in future planning.

Healthy Eating is IMPORTANT!

Healthy eating and physical activity don't become habits overnight. Parents can help children improve their eating habits by making healthy changes a part of the daily routine. Start by making breakfast important and not an option. Make the most of family mealtime. Eating meals together provides the opportunity to help children develop a healthy attitude toward food. It also enables parents to serve as role models, introduce new foods and establish a regular meal schedule.

Active kids need planned, healthy snacks. Think of them as mini-meals that contribute nutrient-rich foods. Keep a variety of nutritious ready-to-eat fruits, vegetables, whole grains and low-fat dairy foods on hand. Every child needs appropriate amounts of calories, protein, minerals and vitamins to grow. For more healthy tips and recipes try checking out www.eatright.org.
