- April 20th- Kids on the Block
- April 24th- Midterm
- April 25th- Munchkins with Mom @ 7:15 a.m.
- April 28th- Progress reports go home

A Note From Your Teachers...

We hope everyone had a great long weekend!!! The kids had so much fun on Thursday visiting all of the other classrooms and playing so many different games. They also LOVED getting to play on the inflatables!

This week we will be talking all about BUGS!!! Going along with the spring theme, we will be learning about lady bugs and caterpillars and all other kinds of bugs! We will continue reading CVC words and creating sentences. We have been practicing magic (silent) e words! We are also continuing our work on addition and subtraction!

Thursday is Pirate day! A \$1 donation is greatly appreciated!

Thank You,
Mrs. Romans and Ms. Hackett

At Home Practice:

Phonics: Please continue working on sight words! You can also practice magic (silent) e words! The silent e makes the vowel say its name! (bike, kite, cape, pole...)

Reading: Please read daily with your child! Talk about beginning, middle, and end. Also, ask if the story is fiction or nonfiction!

Math: Practice addition and subtraction up to 10! Use cereal, toys, or other objects to help see the addition problem!

Please feel free to contact us at any time!
