

Pickens' Post

April 25, 2016

This Week...

Only 5 more weeks of Kindergarten!

I cannot believe how quickly this year has flown by. We still have lots to learn. We are working on blending CVCC words. We are reviewing

addition, subtraction, and solid shapes in

math. We are also learning about money and the parts of a clock.

Coming Up...

May 4th-progress reports go home

May 16th-Planting Day

May 20th-Family Fun Day

May 26th-Hawaiian Day

May 27th-LAST DAY OF SCHOOL!!!

Sight Words

I will test sight words again on

Friday, April 29th! This is the last time I will test this school year. Please continue to work on your words this summer.

End of Year Testing

Kindergarten will be doing our end of the year testing the first week of May.

Parents, please make sure that your child is on time and not absent. Make sure they are well rested and have had a good breakfast. We want them to do their very best and show us how very smart they are!

Relay for Life

We are excited to be participating in the

2016 Relay for Life. We will be fundraising for this wonderful cause through the month of April. Students can purchase Footprints for \$1. We will display these outside our classroom door. We will also be collecting spare change in our classroom.

Snack

We are running low on snack. Please send in a snack for our class to share. Thank you!!
