

THE LANCASTER LEDGER

Adventure Awaits

August 22, 2016

This Week....

We are working on our unit about school. We will begin learning letters, sounds, and correct letter formation (focusing on letters A-I). Also, we are learning to write our first name correctly.

In math we are learning numbers 1-5 and different ways to show these numbers.

Also, for the next few weeks we will be focusing on rhyming.

Don't forget...

Thursday is Parent Night from 6:00-7:00. (Parents Only, please) I will be giving you LOTS of important information about Kindergarten at this time. I really hope you can attend!

Sight Words

Please have your child practice reading their sight words each day. Everyone should be working on List 1. I will be assessing on Friday, September 2nd.

Dates to Remember:

Aug. 25th - Parent Night 6-7

Sept. 5th - No School (Labor Day)

Library

In the coming weeks students will be given the opportunity to check out books from the library. Please send books back when you have finished reading them. Library books are late if they are kept for more than 7 days.

Homework

In kindergarten, homework each night will consist of practicing sight words and reading a story. Please fill out the Reading Calendar that is located in your child's folder.

SNACK

Please send in a snack for our class to share. We have 22 students in our classroom.
