This Week...

I hope everyone enjoyed the long weekend! I hope you got to spend some extra time with family and friends. In reading we are still working on medial sounds and blending CVC words. In math we have been learning about addition, subtraction, number bonds, and word problems.

Feb. 25th-Career Day
Feb. 29th-Make-up Day

Fun Ways to Help at Home!

3rd 9 weeks we will be assessing most of the standards left on the report card/G-Kids assessment. One standard we will test is Counting to 100 by 1's and 10's. We practice this skill each day. Below are several QR codes that will take you to fun counting videos.

Sight Words

Keep working hard on your sight words! Before you can move on to 1st grade words, you will have to read all 80 words mixed up. I will test on Friday, Feb. 26th.

Thank you to all the parents that sent in items for our class Valentine's Day party!

The kids had so much fun making ice cream sundaes. We loved seeing all the creative Valentine boxes and loved all our Valentine cards, candy, and gifts! We have felt truly loved this week! We are blessed with a wonderful group of kids and parents.
