Sight Words

We will be checking for sight words

Friday, March 3rd. Please continue

to work on your words. Once students have read

Lists 1-8, I will test them on all 80 words. They must

be able to read ALL 80 words mixed up before they

can move on to 1<sup>st</sup> grade sight words.

We Need Your Trash!!!

Friday, March 17th, we will be

doing a STEM activity where

we will be building

Leprechaun traps. I am

hoping to collect enough

"trash" where students can work with a

partner to engineer a trap that will catch a

Leprechaun. I can't wait for the students to

be creative and tell about how their trap will

work. We need some supplies to help make

our traps successful. If you have any of

these items around your house, please send

them in as soon as possible. Thank you for

all your help!!!!
