

# THE LANCASTER LEDGER

## Adventure Awaits

January 23, 2017

### This Week....

In literacy, we will continue blending sounds to make words.

In math, we are working on addition and subtraction. We are also reviewing our 2D and 3D shapes.

### P.E. & Music

Our PE and Music schedule has changed for this nine weeks. We will have PE Monday, Wednesday, and Friday. We will have music Tuesday and Thursday.

### LSGT

The Local School Governance Team holds a meeting every last Thursday of the month at 5 p.m. The public is invited to attend.

### It's Cold Outside

Please put your child's name in all coats, mittens, hats, scarves, etc. When items are found we always look for a name first.

One of our standards in Kindergarten is to be able to count to 100 by 10's and 1's.

Scan this QR code below to watch a video for extra practice counting to 100!

### Dates to Remember:

Jan. 27th– 100th Day of School

Feb. 13th– Progress Reports Go Home

Feb. 14th– Valentine's Day Party

Feb. 17th– No School

Feb. 20th– No School

Friday is the 100th day of school! We will be doing several fun "100" activities because we are 100 days smarter. Your child may come dressed like they are 100 years old. The students are really excited about reaching this milestone this year.

### Sight Words

Thank you for working so hard on your sight words at home. Remember that your child should be able to read through list 4 by this point in the year. Once lists 1-8 can be read completely in random order your child will move on to 1st grade words. I will be assessing them again on Friday, February 3rd.

Scan the code for a fun Pirate subtraction video!

At the end of the year your child will bring home a portfolio of some of the work they have completed throughout the year. Please provide a 1" binder for your child's portfolio.
