

# Pickens' Post

March 12, 2018

This Week...

We will be learning about the Farm for the next few weeks.

We will be reading lots of his books and learning more about the farm and the animals that we can find there. We will be blending GVC words in reading and learning about measurement in math.

Coming Up...

March 16<sup>th</sup>-St. Patrick's Day

March 22<sup>nd</sup>-Report Cards Go Home

March 23<sup>rd</sup>-TN Aquarium Field Trip

Don't Forget!!!!

We have lots of lost and found!

Please put your child's name in their coat, backpack, lunchbox, etc.

Sight Words

We will be checking for sight words Friday, March 16<sup>th</sup>. Please

continue to work on your words. Once students have read Lists 1-8, I will test them on all 80 words. They must be able to read ALL 80 words mixed up before they can move on to 1<sup>st</sup> grade sight words.

We Need Your Trash!!!

Friday, March 16<sup>th</sup>, we will be doing a STEM activity where we will be building Leprechaun traps. I am hoping to collect enough "trash" where students can work with a partner to engineer a trap that will catch a Leprechaun. I can't wait for the students to be creative and tell about how their trap will work. We need some supplies to help make our traps successful. If you have any of these items around your house, please send them in as soon as possible. Thank you for all your help!!!!

- Empty tissue boxes
- Paper towel rolls
- Toilet paper rolls
- Empty shoe boxes
- Empty cereal boxes
