Sight Words

We will be checking for sight words Friday, March 17th. Please continue

to work on your words. Once students have read Lists 1-8, I will test them on all 80 words. They must be able to read ALL 80 words mixed up before they can move on to 1st grade sight words.

We Need Your Trash!!!

Friday, March 17th, we will be doing a STEM activity where we will be building

Leprechaun traps. I am hoping to collect enough

"trash" where students can work with a partner to engineer a trap that will catch a Leprechaun. I can't wait for the students to be creative and tell about how their trap will work. We need some supplies to help make our traps successful. If you have any of these items around your house, please send them in as soon as possible. Thank you for all your help!!!!
