

THE LANCASTER LEDGER

Adventure Awaits

March 13, 2017

This Week....

We will be doing St. Patrick's Day themed activities. We will also begin learning about farms and the animals that live there. We will continue to practice blending CVC words and be working with measurement in math.

At the end of the year your child will bring home a portfolio of some of the work they have completed throughout the year. Please provide a 1" binder for your child's portfolio.

We have lots of lost and found! Please put your child's name in their coat, backpack, lunchbox, etc.

LSGT Meeting

The Local School Governance Team holds a meeting every last Thursday of the month at 5 p.m. The public is invited to attend.

SNACK

Please send in a snack for our class to share. We have 20 students in our classroom.

Dates to Remember:

- March 16th– Crazy Hair/80s Day (\$1)
- March 17th– St. Patrick's Day
- March 17th– Report Cards Go Home
- March 21st– Aquarium Field Trip

Sight Words

I will be testing sight words this Friday, March 17th. Once your child has read lists 1-8, I will test them on all 80 words. Your child must be able to read all 80 in completely random order to move onto 1st grade sight words.

We Need Your Trash!

Friday, March 17th we will be doing a STEM activity building Leprechaun traps. I am hoping to collect enough "trash" where students can work with a partner to engineer a trap that will catch a leprechaun. I can't wait to see their creativity and what ideas they come up with. If you have any of these items around your house, please send them in as soon as possible. Thank you for all of your help and making our traps successful!

Empty tissue boxes

Empty cereal boxes

Paper towel rolls

Empty shoe boxes
