- April 25-Muffins with Mom
- April 27-Baseball Day
- April 28-Progress Reports

### Classroom News

SAY CHEESE!! Spring Pictures are Tuesday March 7. We will take our pictures at 10:15. If you would like to purchase a class picture, the money is due the day of pictures, but individual pictures can be bought once proofs are sent home.

If you would like your child to participate in our school wide candy sale, please fill out the yellow sheet in your child's folder giving us permission to send home a box of candy with your child.

Our future's so bright we have to wear "shades" on March 9.

Our zoo field trip is quickly approaching. Parents are welcome to join us. Please look for more information to come home soon regarding the field trip. If you are planning to chaperone, please send me a text through Remind 101 letting me know, so that I can plan accordingly.

### What We Are Learning

**Reading**-Please check your child's folder every MONDAY for the Home School Connection letter with our weekly comprehension skill, spelling words, and sight words. As of now, we are halfway through list G.

**Math**-We will begin learning how to name 2D and 3D shapes, identify their attributes, and make new shapes using multiple 2D/3D shapes. We will also be learning how to divide our shapes into fractions (equal parts)  $\frac{1}{2}$  and  $\frac{1}{4}$ .
