

The Lancaster Ledger

September 26, 2016

This week...

Today is Johnny Appleseed Day! We are looking forward to lots of fun apple activities. Thank you to the parents that donated our apple treats!

In literacy we will begin to learn about blending sounds together to make words. Our focus letter and sound is Pp /p/. We are still practicing writing our names correctly.

In math, we are learning about numbers 6-10 and composing/ decomposing numbers 0-5.

We will try to visit the library at least once a week (usually Thurs. or Friday). Books are considered late after 7 days.

In class we are starting to use iPads more independently. If you haven't done so already, please send in a pair of headphones or ear buds for your child to use.

P.E. is Monday, Wednesday and Friday. Please send your child in tennis shoes on these days so they can participate in P.E. activities.

Coming Up...

Oct. 6th- Fall Pictures

Oct. 7th- Grandparents' Day

Oct. 10-11th- No School

Oct. 12th- Star Wars Reading Day

LSGT (Local School Governance Team)
Our school's LSGT meets the last Thursday of every month at 5:00. The public is invited to attend.

Star Wars Reading Day

Don't forget to dress up for Star Wars Reading Day on Oct. 12th. (Wear your Star Wars t-shirt or costume - no light sabers please). We will have a Star Wars themed rotation between the Kindergarten classrooms in our hall.

Sight Words

Keep practicing your sight words. I will test again Friday, September 30th. Keep up the great work!

Here are some ideas to make practicing sight words more fun at home.

- Make an extra set of cards and play memory.
- Make sight words using play-dough.
- Flashlight words- tape the words up on the ceiling and turn off the lights. Use the flashlight to read the words.
- To build confidence use words that they know and fewer that are new. Once they get those words add more.
