

Pickens' Post

September 5, 2017

This Week...

I hope everyone enjoyed your long weekend. We will continue talking about letters this week. We are working on the letter M and sound /m/. We are also learning how to write our first name correctly. In math we are focusing on numbers and shapes. We will be focusing on rhyming and counting syllables for the next few weeks.

Coming Up...

Sept. 21st -Progress Reports Go Home
Sept. 26th- Johnny Appleseed Day

Johnny Appleseed Day

Friday, September 26th we will be celebrating Johnny Appleseed. We have some fun activities planned.

Please have your child dress in overalls or blue jeans and a plaid shirt. We will be making pots to put on our heads so we can all look like Johnny Appleseed!

TWITTER

We are learning so much during our Twitter sessions. Thank you so much for following our class. The students love to see which parents are seeing our tweets. Follow us @PickensKinder

Sight Words

Don't forget to practice your sight words each night. I will be assessing again on Friday, Sept. 15th. If your child gets a smiley face on the bottom, you can move on to the next list!

Download Adobe Spark on your tablet or phone. (It's FREE) Scan the QR code using a QR Scanner. Have your child practice their sight words with the video.
