

Feel free to request a parent/teacher conference to discuss your child's progress.

Come get involved in the Family Resource Center in Room 406.

We have plenty of volunteering opportunities available!

Jointly Developed

The **parents, students, and staff** of Battlefield Primary School jointly developed this Family-School Compact for Achievement.

Parents help create the suggestions for home activities to support learning.

Meetings are held each year to update this compact and make changes based on students needs.

BPS Parents are welcome to contribute comments at any time.

Building Partnerships

Math Cooking Night

Grandparents Day

Reading Night

Math Eggstravaganza

Doughnuts with Dad

Family Fun Day

Parent Lunches

Pre-K and K Transition

Muffins with Mom

Communication about Student Learning

Battlefield Primary School wants to continue open, two-way communication with families about children's learning. Here are some ways we communicate with you and you can communicate with us:

- Weekly Homework Folders
- Updates on School Website
- Infinite Campus
- Parent/Teacher Conferences (AS NEEDED)
- Text Alert
- Cub Report

FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT SCHOOL YEAR 2013-2014

2nd Grade Focus

For Student Success

Approved October 2013

Battlefield Primary School

2204 Battlefield Parkway

Ft. Oglethorpe, GA 30742

Mr. Geoff Rhodes, Principal

706-861-5778

Comments and/or suggestions are welcome any time during the year.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards,
- ◆ **Focus** on student learning,
- ◆ **Respond** to school data,
- ◆ **Define** everyone's responsibilities -- and
- ◆ **Depend** on us to believe in it and use it!

When teachers, students, and families work together, we CAN achieve our goal:

**EXPECTATION
GRADUATION!!!**

GOALS FOR STUDENT LEARNING

District Goal:

- Improve student achievement

School 2nd Grade Goals:

- 84% of Second Grade students will demonstrate a proficiency of 70% or more of standards in Mathematics as measured by STAR Math.
- 70% of Second Grade students will demonstrate a proficiency of 70% or more of standards in English Language Arts as measured by STAR Reading.

BPS 2nd Grade Students

Second grade students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school. Students will:

- ⇒ Read Books
- ⇒ Practice Math Facts
- ⇒ Work on Writing

BPS 2nd Grade Teachers

The second grade teachers will work with students and their families to support students' success in reading and math. Our goals will be to:

- ◇ Provide parents and students a class web page with websites to help increase reading and math standards mastery.
- ◇ Send home a list of strategies to use at home to increase reading comprehension and higher level thinking skills.
- ◇ Send home school problem solving models to help develop problem solving and critical thinking skills.

At Home

BPS parents joined staff to develop ideas about how families can support student success.

- * Set aside a quiet place for my child to do homework and make sure he/she understands and completes it to the best of his/her ability.
- * Check my child's backpack daily.
- * Look for ways in the "real world" to incorporate reading and math. Examples: billboards, road signs, grocery shopping, and playing math and reading games at home.
