### What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards,
- ◆ **Focus** on student learning,
- ◆ **Respond** to school data,
- ◆ **Define** everyone's responsibilities -- and
- ◆ **Depend** on us to believe in it and use it!

**When teachers, students, and families work together, we CAN achieve our goal:**

**EXPECTATION GRADUATION!!!**

### GOALS FOR STUDENT LEARNING

#### District Goal:

- Improve student achievement

#### School Kindergarten Goals:

- 77% of Kindergarten students will demonstrate a proficiency of 72% or more of standards in Mathematics as measured by GKIDS/Early Literacy.
- 70% of Kindergarten students will demonstrate a proficiency of 70% or more of standards in English Language Arts as measured by Early Literacy.

### BPS Kindergarten Students

Kindergarteners joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school. Students will:

- ⇒ Practice Writing
- ⇒ Read with Mom and Dad
- ⇒ Practice Sight Words

### BPS Kindergarten Teachers

The Kindergarten teachers will work with students and their families to support student success. Some of our key connections with families will be:

- ◇ Provide monthly reading calendars to be completed at home to help build reading comprehension.
- ◇ Provide a weekly sight word list to be practiced at home. Our newsletter will provide helpful tips for math and reading activities at home.
- ◇ Classroom web pages will provide helpful links for math and phonics practice.

### At Home

BPS parents joined staff to develop ideas about how families can support student success.

- \* Set aside a quiet place for my child to do homework and make sure he/she understands and completes it to the best of his/her ability.
- \* Check my child's backpack daily.
- \* Look for ways in the "real world" to incorporate reading and math. Examples: billboards, road signs, grocery shopping, and playing math and reading games at home.
