

Feel free to request a parent/teacher conference to discuss your child's progress.

Come get involved in the Family Resource Center in Room 406.

We have plenty of volunteering opportunities available!

Jointly Developed

The **parents, students, and staff** of Battlefield Primary School jointly developed this Family-School Compact for Achievement.

Parents help create the suggestions for home activities to support learning.

Meetings are held each year to update this compact and make changes based on students needs.

BPS Parents are welcome to contribute comments at any time.

Building Partnerships

Math Cooking Night

Grandparents Day

Reading Night

Math Eggstravaganza

Doughnuts with Dad

Family Fun Day

Parent Lunches

Pre-K and K Transition

Muffins with Mom

Communication about Student Learning

Battlefield Primary School wants to continue open, two-way communication with families about children's learning. Here are some ways we communicate with you and you can communicate with us:

- Weekly Homework Folders
- Updates on School Website
- Infinite Campus
- Parent/Teacher Conferences (AS NEEDED)
- Text Alert
- Cub Report

FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT SCHOOL YEAR 2014-2015

2nd Grade Focus

For Student Success

Approved September 11th 2014

Battlefield Primary School

2204 Battlefield Parkway

Ft. Oglethorpe, GA 30742

Mr. Geoff Rhodes, Principal

706-861-5778

Comments and/or suggestions are welcome any time during the year.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards,
- ◆ **Focus** on student learning,
- ◆ **Respond** to school data,
- ◆ **Define** everyone's responsibilities -- and
- ◆ **Depend** on us to believe in it and use it!

When teachers, students, and families work together, we CAN achieve our goal:

**GRADUATION
AND BEYOND!!!**

GOALS FOR STUDENT LEARNING

District Goal:

- Improve student achievement

School 2nd Grade Goals:

- 80% of Second Grade students will show at least a 35% growth in Mathematics from the beginning of the school year to the end of the school year as measured by STAR Math.
- 80% of Second Grade students will show at least a 35% growth in English Language Arts/Reading from the beginning of the school year to the end of the school year as measured by STAR

BPS 2nd Grade Students

Second grade students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school. Students will:

- ⇒ Practice reading, math and spelling skills
- ⇒ To be helpful to my teacher and classmates
- ⇒ To be responsible for our own learning

BPS 2nd Grade Teachers

The second grade teachers will work with students and their families to support students' success in reading and math. Our goals will be to:

- ◇ Provide parents and students a class web page with websites to help increase reading and math standards mastery.
- ◇ Send home a list of strategies to use at home to increase reading comprehension and higher level thinking skills.
- ◇ Send home school problem solving models to help develop problem solving and critical thinking skills.

At Home

BPS parents joined staff to develop ideas about how families can support student success.

- * Check my child's backpack daily
- * Get my child to school on time and try to attend parent meetings
- * Stay in contact with my child's teacher through e-mails, phone calls, etc.
