Jointly Developed

The parents, students, and staff of Battlefield Primary School jointly developed this Family-School Compact for Achievement.

Parents help create the suggestions for home activities to support learning.

Meetings are held each year to update this compact and make changes based on students needs.

BPS Parents are welcome to contribute comments at any time.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards,
- ◆ **Focus** on student learning,
- ◆ **Respond** to school data,
- ◆ **Define** everyone's responsibilities -- and
- ◆ **Depend** on us to believe in it and use it!

When teachers, students, and families work together, we CAN achieve our goal:

“Graduation– Make it happen!”

GOALS FOR STUDENT LEARNING

District Goal:

- Improve student achievement

School 1st Grade Goals:

- 50% of First Grade students will demonstrate a proficiency of 30% or more of standards in Mathematics as measured by STAR Math.
- 50% of First Grade students will demonstrate a proficiency of 30% or more of standards in English Language Arts as measured by STAR Reading.

BPS 1st Grade Students

First grade students joined staff and parents to develop ideas about how they can succeed. Students thought of the following ideas to make connections between learning at home and school. Students will:

- ⇒ Read Books
- ⇒ Practice Math Facts
- ⇒ Practice Sight Words

BPS 1st Grade Teachers

The first grade teachers will work with students and their families to increase student achievement in both Math and English/Language Arts. Some of our key connections with families will be:

- ◇ Class web pages will include links to kid-friendly websites for building phonics and math skills.
- ◇ Each month students will bring home a reading log to complete at home. Attached to the reading log, families can find a page of helpful reading strategies.

At Home

BPS parents joined staff to develop ideas about how families can support student success.

- * Try to attend parent meetings at school
- * Check my child's backpack daily.
