

Denia Reese, Superintendent

Every child, every day, without exception!

CATOOSA COUNTY
PUBLIC SCHOOL

Battlefield Primary School
Title I School Status Report to Parents
August 13, 2018

It is the philosophy of Catoosa County Schools to provide quality instruction through highly qualified teachers and paraprofessionals to our students. We work to meet this requirement by hiring teachers who are certified in their area of instruction or are actively involved in the testing and evaluation process of obtaining this certification. Paraprofessionals must meet State requirements for licensure and professional development. All the teachers and paraprofessionals at BPS are highly qualified. Should a teacher or paraprofessional leave during the year, we will send you a newsletter keeping you updated about their status.

Each year our sister school, Battlefield Elem., takes the state assessment (Georgia Milestones) to measure academic performance. The state of Georgia measures all primary schools by how their former students perform in 3rd grade. We are proud to announce that Battlefield Primary and Battlefield Elem. have not been identified as a "Priority", "Focus" or "Alert" school. We are considered in good academic standing. Our academic focus this year will continue to be on reading and math.

We appreciate the support you have given to our school. Our mission is to be a professional learning community, where excellence is expected from staff and students, every day.. Please make plans to give us your input on how to make our school a great place to learn through one of our Title I activities this year.

If you have any question concerning school status, please contact me through email (via BPS web page) or at 706-861-5778.

Sincerely,
Mr. Geoff Rhodes
Principal
