REQUEST FOR ENROLLMENT IN AFTER SCHOOL PROGRAM

The After School Program is a voluntary, self-sustaining program that provides care for students during after school hours. The safe and caring environment is intended to meet the needs of students who would otherwise be home alone after school. Although it is not a basic element of the general education program, it provides an opportunity for students to engage in after school activities.

Due to the fact that no particular supervision would necessarily be provided by certified personnel, this program may not be appropriate for all students.

I agree to be responsible for all costs associated with the individualized needs of my child during their participation in the After School Program.

As parent/guardian, I understand the purpose of the After School Program and understand that at times it may not be appropriate for my child to attend and agree to remove him/her from the program at that time.

I also understand that charges are due 7 days after I have received my invoice. If at any time I am unable to pay these charges I will respectfully withdraw from the program until payment can be made.
