Directions for Completion

Use the following data and calculations to complete the report.

Cover Tab

- Click on (Select School on Cover Sheet) and choose your school from the drop-down box. This will place the name of your school in all the appropriate places.
- Using the Milestones EOG Data % at Level 3 & 4 charts that were sent to you in Filr for your Student Performance Diagnostic section. Complete the Academic State Assessment category on the left side of the cover sheet by changing the 0% to the percentage of your school for the ELA and the Math.
- Using your student information for students **who were enrolled in your school at the end of the year**, determine the percent of students who had between 0 and 5 absences (excused or unexcused). [number of students in grades K-5 with 5 or fewer absences ÷ total number of students enrolled at the end of the school year] Type the calculated % for absences in the right hand box under Student Absences.
