

Feel free to request parent/teacher conferences to discuss your child's progress. The parents, family and staff of Cloud Springs Elementary developed this Family-School Compact for Achievement. Parents created the suggestions for home activities to support their child's learning. School-wide meetings are held each year to update this compact. Parents are welcome to contribute comments at anytime. For more information on this compact please contact Kellie Yarbrough at 706-866-6640.

Communication about Student Learning

Cloud Springs Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are:

- ◆ Report Cards
- ◆ Parent Portal Updates
- ◆ Progress Reports
- ◆ Student Agendas and weekly folders
- ◆ Class Newsletters
- ◆ School Newsletters
- ◆ School Website
- ◆ Class Dojo
- ◆ Conferences

Parent Family Engagement/Volunteer Workroom/Resource Center

Come get involved at the CSE Family Center. Volunteer opportunities are waiting for you!

We welcome everyone to get involved and volunteer. Mrs. Honeycutt, our Parent Involvement Coordinator, works Monday—Friday 8:00 am to 12:00 pm. However, our workroom is open from 8:00 to 2:00 pm, so if you have spare time and would like to volunteer, need help, information, come see us. Our family center is located just past the cafeteria in the red hall, Room 204.

What is A Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- √ Begin with standards
- √ Focus on student learning
- √ Respond to school data
- √ Define everyone's responsibilities
- √ Depend on us to believe in it and use it!

When teachers, students and families work together, we can achieve our goal!

Every child, Every day, without exception

Goals for Student Learning

District Goal:

1. To improve the percent of students scoring proficient (levels 3,4) in grades 3 through 8 on the Georgia Milestones EOG assessment
2. To improve the percentage of students graduating from high school.

School Goals:

In 5th grade our school will focus on building stamina in reading and writing to be used throughout a child's life and learn to be accurate in every calculation of math.

1. Students in 3rd, 4th, & 5th grade will have a 3% increase in reading ON or ABOVE grade level as compared to the data from the 2018 GA Milestones Lexile scores
2. Students in 3rd, 4th, & 5th grade will have a 3% increase in level 2, 3, and 4 learners as well as a 3% increase in level 3 and 4 learners as compared to the data from the 2018 GA Milestones ELA scores.
3. Students in 3rd, 4th, & 5th grade will have a 3% increase in level 2, 3, and 4 learners as well as a 3% increase in level 3 and 4 learners as compared to the data from the Spring 2018 GA Milestones Math scores.

CSE 5th Grade Student Responsibilities:

CSE students joined staff and parents to develop ideas about how they can succeed and reach for the stars in reading, math, and writing. Students thought of the following ideas to make connections between learning at home and school:

- I will read 20 minutes each night to increase my fluency.
- I will practice my multiplication facts weekly so I will be prepared for the many steps of long multiplication, long division, and fractions.

Goals for Student Learning

5th Grade Teacher Responsibilities:

5th Grade Teachers will work with students and their families to support students' success in reading, math, and writing. Some of the key connections with families will be:

- Keep the lines of communication open through conferences and DATA meetings to discuss student academic progress in reading and math, and provide activities for parents to use at home to work with their child to help them achieve their learning goals
- Provide a list of resource links to family friendly websites for building vocabulary and math skills

CSE Parent Responsibilities:

- ◆ I will listen to my child read every night for 20 minutes.
- ◆ I will study Grade level sight words or spelling words with my child.
- ◆ I will attend conferences regarding my child's academic achievement.
- ◆ I will help my child with his/her math homework, and will use materials to explore math at home.
- ◆ Keep in contact with my child's teacher through phone, email, face to face, class dojo regarding my child's academic achievements in reading/math/ELA.

CSE MISSION STATEMENT

OUR MISSION IS TO ENSURE HIGH LEVELS OF LEARNING FOR ALL
