

## **TITLE I SCHOOL DESIGNATION PARENT NOTIFICATION**

**08-29-2016**

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career. Our current CCRPI score is 69.1 which classifies us in good standing with the state department of education. You may go to the Georgia department of Education website to learn more about our score and how it is calculated. I am very proud to tell you that Cloud Springs Elementary has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students. Our 3<sup>rd</sup> through 5<sup>th</sup> grade students completed the Georgia Milestones EOG assessment last spring. These scores indicated our strength was in the area of reading and showing growth in the areas of math and science. At Cloud Springs Elementary, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Cloud Spring's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Cliff Brittingham, Principal at 706-866-6640 or email at [cbrittingham@catoosa.k12.ga.us](mailto:cbrittingham@catoosa.k12.ga.us).

Thank you for all that you do to support your child's education.

Sincerely,

Cliff Brittingham  
Principal
