## ► What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

Effective Compacts:

- **Begin** with standards,
- **Focus** on student learning,
- **Respond** to school data,
- **Define** everyone's responsibilities,
- **Depend** on us to believe in it and use it

## Goals for Student Learning

District Goal: *To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 through 8.*

*To improve the percentage of students graduating from high school.*

School Goal: *Increase the percentage of students who score in the developing learner or better categories in ELA by three percentage points on the GA Milestones.*

*Increase the percentage of students who meet the grade level stretch band (lexile score) by three percentage points on the GA Milestones.*

## GES Third Grade Students

GES students joined staff and parents to develop ideas about how they can succeed and reach for the stars in language arts and reading. Students thought of the following ideas to make connections between learning at home and school:

- \* Understand what my Lexile level is and read 20 minutes every night to help me reach my AR goals.
- \* Ask for help from my teachers and parents when I don't understand what I am learning in reading and math.

## GES Third Grade Teachers

Third Grade teachers will work with students and their families to support students' success in language arts and reading. Some of our key connections with families will be to:

- \* Suggest books to read and discuss with their child based on student STAR Assessment scores and their Lexile level by providing a list of suggested books and discussion starters in weekly newsletter.
- \* Provide a webpage with links to family friendly websites for building vocabulary and math skills, and reference this webpage in parent/teacher conferences and in the newsletter.

## GES Third Grade Parents

GES parents joined staff to develop ideas about how families can support students' success in language arts and reading. Families may have other ideas to add to this list.

- \* Practice math facts at home and find fun ways to prepare for tests.
- \* Read with my child and discuss the book together.
- \* Stay on top of my child's AR goals and Lexile level.
