## ► What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

Effective Compacts:

- **Begin** with standards,
- **Focus** on student learning,
- **Respond** to school data,
- **Define** everyone's responsibilities,
- **Depend** on us to believe in it and use it

## Goals for Student Learning

District Goal: *To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 through 8.*

*To improve the percentage of students graduating from high school.*

School Goal: *Increase the percentage of students who score in the developing learner or better categories in ELA by three percentage points on the GA Milestones.*

*Increase the percentage of students who meet the grade level stretch band (Lexile score) by three percentage points on the GA Milestones.*

## GES Kindergarten Students

GES students joined staff and parents to develop ideas about how they can succeed and reach for the stars in language arts and reading. Students thought of the following ideas to make connections between learning at home and school:

- \* Play fun games at home with my family to practice my sight words and numbers.
- \* Ask my parents to help me learn my letters by helping me find them in books and on signs.

## GES Kindergarten Teachers

Kindergarten teachers will work with students and their families to support students' success in language arts and reading. Some of our key connections with families will be to:

- \* Send home suggestions in the weekly newsletter on ways students and parents can practice sight words together. For example: magnetic letters on the refrigerator, shaving cream on the mirror, flashcards, etc.
- \* Provide activities families can engage in while reading the decodable books sent home with their students each day.

## GES Kindergarten Parents

GES parents joined staff to develop ideas about how families can support students' success in language arts and reading. Families may have other ideas to add to this list.

- \* Practice math facts at home and find fun ways to prepare for tests.
- \* Read with my child and discuss the book together.
- \* Look for the class newsletter and check out the school website for ways to help my child in reading and math.
