Hello

February, 2018

I am very proud to tell you that Graysville Elementary School has been given a designation status of Reward School this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

From the Principal

Each February as we celebrate Valentine's Day we are all encouraged to think about those that we love. At GES, we LOVE our students, staff, and parents! The success of our school is a direct result of the wonderful relationships we have with students and their families. Thank you for all you do to make GES great!

As you can see, construction is in full gear. As exciting as it is, growing pains are sometimes hard. I so appreciate how flexible and understanding our staff, students, and parents have been. As we continue through this phase, please know that your child's safety is our number one concern. With this in mind, some of the normal activities may have to be changed to fit our ever-changing campus. In particular, this year we are opting to move Field Day to the RHS football complex. While we hate to not be on campus, we also want our students to have the best Field Day possible. We believe this will help with parking, safety and accessibility to all of the activities. Please mark your calendar for May 18th as we celebrate Field Day at RHS.

Have a great February!

Sincerely,

Kerri Sholl
