## From the Principal

Attendance is super important as we are winding down the last few months here at GES. Studies have shown how much attendance impacts a student's education. Even when a student is tardy, it disrupts their day. The state of Georgia thinks that attendance is important, too. Every student who misses 6 or more days of school negatively affects GES's CCRPI score. The CCRPI score is what the state uses to compare us to other schools in Georgia. You can help us with this by making sure your student is here every day and on time. If there is ever a question as to whether or not you should send your student to school, please bring them in and let Nurse Jenny take a look at them. If she thinks they are too sick to stay, it is considered an excused absence. Please take advantage of this valuable resource. Thanks for helping us out with attendance!

I am very proud to tell you that Graysville Elementary School has been given a designation status of Reward School this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

# Title 1

Greetings from Title I and the Family Resource Center!

The Title I Spring Survey has been sent home! This survey is a very important part of our Title I program and your responses will be used to help guide our plan for next school year. Students who return the survey will get a special treat so please be sure to fill it out and send it in! Surveys are due Tuesday, March 20th.

I can't wait to see all of our 3rd, 4th, and 5th grade parents on Thursday, March 1st for our second TAPP meeting! The meeting will begin at 6:30 P.M. in your child's classroom. A FREE pizza dinner will be served prior to the meeting, beginning at 6:00 P.M.! Please RSVP to let us know how many to expect for the dinner.

Free resources are available for you in the Family Resource Center. If you are ever visiting the school, stop by room 413 and see what we have to offer!
