## From the Principal

It is hard to believe it is already November. The time sure is flying by. So many things happened last month. One big event was our APEX fundraiser. It was so much fun learning character lessons from the APEX team. The race day was exciting, too! The students did a great job running and had lots of fun! Thank you all for helping make the APEX Fun Run such a huge success!

Another great event was our annual Fall Festival. Not even a cold, dreary, wet day could damper our fun. We had a wonderful turn-out and super fun time! Our PTO always does such an amazing job and we appreciate them so much.

One bit of exciting news is that we received our College and Career Readiness Performance Index, or CCRPI, score. The score, given by the state, is a reflection of the progress each school is making. In 2015, we had a score of 74.5. In 2016, we had a score of 78.7. This year we earned a score of 83.2! We are so proud of the dedication and hard work of our teachers, staff, and students. That high score is a true reflection of the great things going on here at GES!

As we enter into this season of thankfulness, I want you to know how thankful and blessed I feel to be the principal of GES. I truly believe that there is no greater place for kids! Please take a minute this month to let your child's teacher know how much you appreciate them.

As always, remember to *Be the Good Others see in the World.*

Sincerely,  
Kerri Sholl
