► What is a Parent Compact?

A Parent Compact for Student Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work

together to make sure all students get the individual support they need to meet and exceed grade level standards.

Effective Compacts:

- **Begin** with standards
- **Focus** on student learning
- **Respond** to school data
- **Define** everyone's responsibilities
- **Depend** on us to believe in it and use it

GRADUATION NATION

.....

Goals for Student Learning

District Goal: *To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 through 8.*

To improve the percentage of students graduating from high school.

School Goal: *Increase the percentage of students who score in the developing learner or better categories in ELA by five percentage points on the GA Milestones.*

Increase the percentage of students who meet the grade level stretch band (lexile score) by five percentage points on the GA Milestones.

GES Second Grade Students

GES students joined staff and parents to develop ideas about how they can succeed and reach for the stars in language arts and reading. Students thought of the following ideas to make connections between learning at home and school:

- * Understand why my lexile level is and reach my AR goals.
- * Talk to my family about what I am learning in language arts and math.
- * Read and discuss a book with my family.

GES Second Grade Teachers

Second Grade teachers will work with students and their families to support students' success in language arts and reading. Some of our key connections with families will be to:

- * Help students and families understand Lexile through the Lexile information video and information sent home throughout the year.
- * Suggest books to read and encourage families to listen to their children read and read to them through different reading activities suggested in newsletters and sent home as homework.
- * Monitor students Lexile levels and the books they are reading and communicate with parents the importance of vocabulary and reading comprehension.

GES Second Grade Parents

GES parents joined staff to develop ideas about how families can support students' success in language arts and reading. Families may have other ideas to add to this list.

- * Get my child to school on time.
- * Check my child's backpack daily.
- * Set aside a quiet place for my child to do homework and make sure he/she understands it.
