# Title I Tidbits... A Family Resource Newsletter

## WELCOME BACK GES FAMILIES!

Welcome families and students to the new 2016 – 2017 school year & welcome to Title I! Our Title I staff would like to say hello and welcome you and your family back to a new school year and to Title I. We are committed to making this school year the best for your children, and we encourage you to remain engaged in your child's education, both inside and outside of the classroom. Your participation will help your sons and daughters be more successful now and in the future.

Teachers play a critical role of teaching knowledge and skills, but children's attitudes toward school and their habits of studying, reading and learning, are largely developed at home. Studies have consistently linked family engagement with higher student grades and test scores, more positive student attitudes and behaviors, and improved school environments.

There are many ways to be engaged in your child's learning. This includes not only establishing routine homework habits but also:

- Supporting school and Title I extra-curricular activities.
- Attending parent-teacher conferences.
- Communicating with your child's teacher regularly by writing notes, telephoning the school, etc.
- Keeping your child's teacher informed about events in your child's life which may affect his/her performance at school.
- Discussing with your child's teacher and family organizations other ideas for family engagement.
- Volunteering at the school.

So again, welcome back! We pledge to work tirelessly on behalf of your children. Please join us in this pledge so that our students can be successful in the 2016 – 2017 school year and beyond!

Sincerely,  
*Kami Leonard & Rebecca West*

How can I help my  
child **SUCCEED** in  
school?

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Do not talk negatively about your child's teacher or school.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child with his/her homework every night.

Ask your children about school and encourage them to talk about their day.

Read with your child every night.

Teach your children to be responsible for their actions and their schoolwork.
