For the 2016-2017 school year, GES received \$118,675 in Title I funds. Eighty percent of these funds are spent on salaries for our Academic Coach, Parent Involvement Coordinator, and Intervention Paraprofessional. The other twenty percent of these funds are used towards technology resources for our students. We have purchased leases for the following computer programs; IXL, Education City, Brain Pop, Flocabulary, Spelling City and Reading Eggs. If you would like to provide any feedback or have any questions on how the Title I funds are being spent, please feel free to contact our Principal, Mrs. Shall, or our Parent Involvement Coordinator, Kami Leonard.
