Students in grades 9-12 may earn course credit in Community Service by completing a minimum 135 hours of voluntary service to benefit the community in which we live. Documentation must be by an adult group leader; hours may be accumulated through high school once the student begins grade 9. Hours should be reported within the same semester as they were earned; the school principal makes the final decision of approval on service activities. Students achieving 200+ hours are eligible to wear the service cord during graduation ceremonies.
