

HERITAGE HIGH SCHOOL FRESHMAN REGISTRATION GUIDE FOR THE 2017-2018 SCHOOL YEAR

Students take a total of 8 classes each year. You must have 4 classes in each core area (English, math, social studies, science) over 4 years to graduate. In addition, freshmen take Health and Personal Fitness (which are 9 weeks each and count together as one class), and Introduction to Digital Technology.

It is important that you enter each number correctly when you request your classes.

If you are a special education student, your core courses will already be selected.

HOPE Rigor requirements: Over 4 years of high school, students must pass 4 classes from the Rigor Classes list (found on the HHS website) in order to be eligible for HOPE Scholarships or Zell Miller Scholarships.

If you select an honors or AP class, the deadline for dropping it is May 25, 2017. Any AP class is a college level class and is taught and graded as such. After May 25, teacher schedules will be set, and we cannot make changes. Students who plan to attend a four year college are encouraged to take honors classes and AP classes.

Step 1--CORE CLASSES

Select 1 from each category and enter in Requested Classes.

<u>HEALTH AND PHYS. EDUCATION</u>	17.0110000	Health B&G	<u>These 2 are paired to make one class.</u>
	36.0510051	Pers Fitness B&G	

The remaining 2 classes should be chosen from the Career Pathway Chart or the Arts, Foreign Language, PE, and Other Electives list.

If you have a lot of difficulty in math, you should select 27.1997000 Algebra I Support as one of your electives. This makes math a year long class rather than one semester.

Step 2--ELECTIVES

Choose 1 or 2 depending on how many you need to add up to 8. Also choose 3 Alternates from this list.

Remember if you have a lot of difficulty in math, you should select 27.1997000 Algebra I Support as one of your electives. This makes math a year long class rather than one semester.

Both girls and boys who play a sport are encouraged to sign up for weight training.
