

HERITAGE HIGH SCHOOL SENIOR REGISTRATION GUIDE FOR THE 2017-18 SCHOOL YEAR

Students take a total of 8 classes each year. You must have 4 classes in each core area to graduate. You will request these from the Core Classes below. The remaining 4 classes should be chosen from the Career Pathway Chart or the Arts, Foreign Language, PE, and Other Electives list. It is important that you enter each number correctly when you request your classes.

If you are a special education student, your core classes are already selected for you.

- **HOPE Rigor requirements:** Over 4 years of high school, students must pass 4 classes from the Rigor Classes list (found on the HHS website) in order to be eligible for HOPE Scholarships or Zell Miller Scholarships.
- **If you select an honors or AP class, the deadline for dropping it is May 25, 2017.** Any AP class is a college level class and is taught and graded as such. After May 25, teacher schedules will be set, and we cannot make changes. Students who plan to attend a four year college are encouraged to take honors classes and AP classes.

Step 1--CORE CLASSES Select 1 from each category and enter in Requested Classes.

| | | |
|------------------------------|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| <u>ENGLISH</u> | 23.0520037 | British Literature & Comp |
| | 23.0520040 | English Lit/Comp H |
| | 23.0650040 | AP Lit/Comp (summer reading required) |
| <u>SOCIAL STUDIES</u> | 45.0610037 | Economics CP (regular college prep) |
| | 45.0610040 | Economics H (honors) |
| | 45.0630000 | AP Microeconomics |
| <u>MATH</u> | 27.0974000 | Pre Calculus for those successful in semester long math |
| | 27.0890000 | College Readiness Math (4 th math option--not for STEM majors or those applying to selective colleges. #checkyourcollege) |
| | 27.0850000 | Adv. Math Decision Making (4 th math option-not for STEM majors of those applying to selective colleges. #checkyourcollege) |
| | 27.0870000 | Mathematics of Finance (4 th math for those NOT going to college) |
| | 27.0720040 | AP Calculus AB |
| | 27.0730000 | AP Calculus BC (must have had AB) |
| | 27.0740040 | AP Statistics |
| <u>SCIENCE</u> | 26.0710000 | Zoology |
| | 26.0730037 | Anatomy/Physio CP (regular college prep) |
| | 26.0730040 | Anatomy/Physio H (honors-must have had Chem or be taking Chem) |
| | 26.0140040 | AP Biology (must have had H Bio and H Chem or Chem) |
| | 26.0620040 | AP Environmental Science (must have had Chem or H Chem) |
| | 40.0510037 | Chemistry CP (regular college prep) |
| | 40.0510040 | Chemistry H |
| | 40.0530040 | AP Chemistry H (must have had H Chem) |
| | 40.0810040 | Physics I-Honors |
| 40.0841000 | AP Physics C – Mechanics (must have had Physics) | |

Step 2 is to select 4 more classes under Requested Classes. Choose these from the Career Pathway Chart or the Electives list. If you are considering MOWR, go ahead and select HHS classes but check that you are interested in MOWR on the form you turn in. If you are accepted into MOWR, we will make the changes in your schedule.

- If you are in band, you should choose **both** Marching Band and Symphonic Band.
- ROTC is taught at LFO and RHS. Buses take students to ROTC, but parents must provide transportation home.
- Students who plan to attend college need 2 semesters of the same foreign language.
- Select seniors could be approved for Work Based Learning. If you are interested, see Mrs. Helton in 2224 for an application. WBL is career oriented, so you must have a job in an HHS career pathway area. Go ahead and select other electives, and we will drop those if you are accepted into WBL. Attendance and tardies may be the difference in whether you are accepted or not.

Step 3 is to select 3 Alternates in case the electives you have requested are full. Enter these under Alternate Courses. If you have followed steps correctly, you will have 16 out of 16 requested units.
