

## HERITAGE HIGH SCHOOL SENIOR REGISTRATION GUIDE FOR THE 2019-20 SCHOOL YEAR

Students take a total of 8 classes each year. You must have 4 classes in each core area to graduate. You will request these from the Core Classes below. The remaining 4 classes should be chosen from the Career Pathway Chart or the Arts, Foreign Language, PE, and Other Electives list. It is important that you enter each number correctly when you request your classes.

If you are a special education student, your core classes are already selected for you.

- **HOPE Rigor requirements:** Over 4 years of high school, students must pass 4 classes from the Rigor Classes list (found on the HHS website) in order to be eligible for HOPE or Zell Miller Scholarships.
- **If you select an honors or AP class, the deadline for dropping it is May 24, 2019.** Any AP class is a college level class and is taught and graded as such. After May 24, teacher schedules will be set, and we cannot make changes. Students who plan to attend a four year college are encouraged to take honors classes and AP classes.

### **Step 1--CORE CLASSES Select 1 from each category and enter in Requested Classes.**

<b><u>ENGLISH</u></b>	23.0520037	British Literature & Comp
	23.0520040	English Lit/Comp H
	23.0650040	AP Lit/Comp (summer reading required)
<b><u>SOCIAL STUDIES</u></b>	45.0610037	Economics CP (regular college prep)
	45.0610040	Economics H (honors)
	45.0630000	AP Microeconomics
<b><u>MATH</u></b>	27.0974000	Pre Calculus for those successful in semester long math
	27.0890000	College Readiness Math (4 <sup>th</sup> math option--not for STEM majors or those applying to selective colleges. #checkyourcollege)
	27.0780040	Calculus H (honors)
	27.0720040	AP Calculus AB
	27.0730000	AP Calculus BC (must have had AB)
	27.0740040	AP Statistics
<b><u>SCIENCE</u></b>	26.0710000	Zoology
	26.0730037	Anatomy/Physio CP (regular college prep)
	26.0730040	Anatomy/Physio H (honors-must have had Chem or be taking Chem)
	26.0140040	AP Biology (must have had H Bio and H Chem or Chem)
	26.0620040	AP Environmental Science (must have had Chem or H Chem)
	40.0510037	Chemistry CP (regular college prep)
	40.0510040	Chemistry H
	40.0530040	AP Chemistry H (must have had H Chem)
	40.0810040	Physics I-Honors
	40.0831040	AP Physics I (must have had Physics)
40.0930000	Forensic Science (must have Bio and Physical)	

**Step 2 is to select 4 more classes under Requested Classes. Choose these from the Career Pathway Chart or the Electives list. If you are considering dual enrollment, go ahead and select HHS classes. If you are accepted into dual enrollment, we will make the changes in your schedule.**

- ROTC is taught at LFO and RHS. Buses take students to ROTC, but parents must provide transportation home.
- Students who plan to attend college need 2 semesters of the same foreign language.
- Select seniors could be approved for Work Based Learning. If you are interested, see Mrs. Helton in 2224 for an application. WBL is career oriented, so you must have a job in an HHS career pathway area. Go ahead and select other electives, and we will drop those if you are accepted into WBL. Attendance and tardies may be the difference in whether you are accepted or not.

**Step 3 is to select 3 Alternates in case the electives you have requested are full. Enter these under Alternate Courses.**

**If you have followed steps correctly, you will have 16 out of 16 requested units.**
