

HERITAGE HIGH SCHOOL SOPHOMORE REGISTRATION GUIDE FOR THE 2019-20 SCHOOL YEAR

Students take a total of 8 classes each year. You must have 4 classes in each core area to graduate. You will request these from the Core Classes below. The remaining 4 classes should be chosen from the Career Pathway Chart or the Arts, Foreign Language, PE, and Other Electives list. It is important that you enter each number correctly when you request your classes.

If you are a special education student, your core classes will already be selected for you.

HOPE Rigor requirements: Over 4 years of high school, students must pass 4 classes from the Rigor Classes list (found on the HHS website) in order to be eligible for HOPE Scholarships or Zell Miller Scholarships.

If you select an honors or AP class, the deadline for dropping it is May 24, 2019. Any AP class is a college level class and is taught and graded as such. After May 24, teacher schedules will be set, and we cannot make changes. Students who plan to attend a four year college are encouraged to take honors classes and AP classes.

Step 2 is to select 4 more classes under Requested Classes.

- If you were in Algebra I Support and want Geometry Support, select 27.1998000.
- ROTC is taught at LFO and RHS. Buses take students to ROTC, but parents must provide transportation home.
- Sophomores who plan to attend college need 2 semesters of the same foreign language.

Step 3 is to select 3 Alternates in case the electives you have requested are full. Enter these under Alternate Courses.

If you have followed the steps correctly, you will have 16 out of 16 Requested Units.
