

Dear Heritage Parents:

The Georgia Family Connection Partnerships in Catoosa, Chattooga, Dade, & Walker Counties are pleased to provide the UR CHOICE/ UR DESTINY TEEN MAZE for all 10th grade students this year at the Colonnade in Ringgold.

TEEN MAZE is a life-sized interactive role-play where students navigate stations that offer real life choices & risky behaviors such as drinking & driving, drug abuse, teen pregnancy, contracting an STD, and facing Juvenile Court! Along the path, health experts present information to help them handle the problems they might face as a result of their behaviors. Since paths are randomly assigned, no two students will have the same experience, much as in real life! The ultimate goal of TEEN MAZE is on-time high school graduation!

In this game, students are victims of chance and must experience whatever happens to them – but, of course, in real life, they have choices! This event is designed to improve student's knowledge of health risks and realize it is UR CHOICE/ UR DESTINY! Students will be encouraged to learn from their peers' experiences in the maze and to discuss their experiences with their parents.

- **Parents** who want to preview the TEEN MAZE are welcome to come on Monday, September 17th from 8:45 am to 2:45 pm.
- **HHS Sophomores (10th grade) student will attend the morning of Tuesday, Sept. 18th**
