

Good Morning Generals,

“Be the change you wish to see in the world.” - Mahatma Gandhi

It is so exciting to be back. We had a wonderful first three days. Thank you for your patience with traffic last week. Today the parking lot was empty by 7:56. Please be on the lookout for some amazing events happening on our campus/community this year!

You can find an up to date school calendar on the school website under the “User Menu.” We use a Google Calendar format. Therefore if you have a Google account you can download the school calendar to your account. It automatically updates every time an event is added.
