

A Parent's Guide to Georgia Milestones Assessment

Tuesday, February 10th at 6:00 pm

The new Georgia Milestones Assessment is replacing the CRCT and the 8th Grade Writing Assessment. Join LMS administrators and teachers for an overview of the new tests, information about these new tests and how they are structured, as well as resources for parents.

**Parents will be able to see sample questions from
the new tests.**

We look forward to seeing you!
